Ancestry Library Edition, the largest online family history resource available, provides unprecedented access to family history via documents that record the lineage of individuals from the United States, Canada, the United Kingdom, Europe, Australia, and more.

This resource is available through Musselman Library’s database collection.

What's available?

- Census records from the U.S., the U.K., Australia, and Germany
- Canadian Census (1851-1911)
- Birth, marriage, and death records for the U.S., Canada, and the U.K.
- Canadian Genealogy Index (1600s-1900s)
- U.S. military records (back to the 1600s)
- Canadian military collections
- Drouin Collection of French-Canadian and Quebec historical records (1621-1967)
- Immigration, emigration, passport, and naturalization records
- Jewish family history records
- U.S. and Canadian passenger lists (1865-1935)
- Directories and members lists from the U.S., Canada, and the U.K.
- Court, land, tax, and probate records

What's not available?

There are some features of Ancestry that are unavailable through the library's subscription. These features are only accessible with a paid personal account.

- Charting your personal family tree
- Posting to message boards & using "Members Connect" features
- Analyzing your Ancestry DNA results
- Using "One World Tree" feature
- Accessing Ancestry's historical newspaper collection
